

FIGHTING CHANCE

From the Chairman

As part of celebrating our charity's 15th Anniversary we launched a Membership Drive in January 2017, and I am pleased to report that the list of new Members is growing. That is not surprising since there are several benefits to Membership and the Annual Membership Fee comes out to 20¢ a day.

Another part of the 15th Anniversary Celebration has been an expansion of our community outreach events -- most of which also serve to help raise funds. In the pages that follow you can read about some events recently concluded this summer and about events coming up in August and September.

*Duncan Darrow,
Founder & Chairman*

Benefits:

Pride. You're a Link in the Chain that gives East End cancer patients a better chance -- a real fighting chance -- of beating the disease.

Recognition. Your name, and that of all other members of Fighting Chance, are listed on our website's Wall of Honor.

Chairman's Reception. A special annual event for Members only.

Limited Edition Print. Of the classic Ken Robbins print, of "The Lifeguard."

Semi-Annual Report. For Members only with the Chairman's insight on advances in the War on Cancer and news about Fighting Chance.

Email Hotline Card -- For Members Only. Wallet-size, with an email address for our members only . . . that can be used to ask questions about cancer care and get same day responses from our professional staff. Also lists our office phone.

The Life Guard, Ken Robbins

MEMBERSHIP

Annual Dues = 20¢/day

- Help East End Cancer Patients get a better chance of beating cancer.
- Helps them keep cancer in remission, once it is beaten back.
- Help speed their recovery from therapy.

To Become a Member . . . Register by calling our office (631.725.4646) or go to the "Membership" banner on the home-page of our website www.fightingchance.org

Summer Outreach 2017

When we go into East End Communities to raise awareness about our free cancer counseling services, we also hope, in many cases, to raise money that will support charity's operations. Both goals are important.

Of the 200 guests at our Summer Gala, for example, there was a sizable group who had never attended any Fighting Chance event -- and they left knowing much more about our charity's mission.

Of the 150 guests at our first ever reception on Shelter Island, a majority had heard very little about Fighting Chance but they were eager to learn more and all of them made very generous donations.

Meanwhile, our Charity Swim, at Haven's Beach in Sag Harbor, was intended as an event providing fun for the whole family, and we were delighted to see so many kids complete the half mile course. Once again, many participants were learning more about Fighting Chance and their donations were much appreciated.
